Filing Your Tax Return

You may file Form 504 at any time before the end of the extension period. Remember, Form 504E does not extend the time to pay taxes. If you do not pay the amount due by the regular due date, you will owe interest and be subject to a penalty.

Interest

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason not to pay on time, you will still owe interest.

Penalty

If tax and interest is not paid promptly, a penalty will be assessed on the tax.

How to Claim Credit for Payment Made with This Form

When you file your return, show the amount of any payment (line 6) sent with Form 504E on line 28 of your return.
