Maryland IFTA taxpayer assistance

A. 1. Comptroller's Web Site/Internet Access

The Comptroller of Maryland supports a very extensive informative web site on the internet. All Maryland taxpayers having internet access should make use of the resources (publications and forms) that are available to them either by fax or via internet downloads.

The Comptroller's Office Web site includes a copy of the most current IFTA Compliance Manual; Application for IFTA Registration, plus links to other motor carrier sites (IFTA Inc., MVA, etc.). In the future, many more services will be available to you such as electronic credentialing, additional forms, and much more. Go to our Web site for more information:
