## Tax Credits

(see pages 17 through 20 for a breakdown on the amount of allowed credits)

**Out of State Tax Credit:** Maryland residents are allowed a credit against the Maryland state and local income tax for income taxes paid to another state on net income that is properly subject to taxation in the other state, when the other state provides no credit to Maryland residents. The credit reduces the tax payable by Maryland residents by the portion of the amount of the income tax paid to the other state. The revenue of the subdivisions is affected by the local Out of State credit.

**Business Tax Credit:** Individuals are allowed credits against the Maryland income tax as claimed on Form 500CR from a sole proprietorship or pass-through entity. For a complete description of available credits, please refer to the Form 500CR and its instructions.

**Earned Income Tax Credit:** Individuals are allowed a credit against the Maryland income tax for half the federal earned income credit, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit, as there is also a local portion of the earned income tax credit. For low income individuals, a portion of the State earned income credit may be refundable.

**Poverty Level Tax Credit:** Certain individuals with incomes below the poverty level are allowed a credit against the Maryland income tax for a percentage of certain earned income, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit as there is also a local poverty level credit. The credit cannot exceed the applicable tax liability and may not be refunded.

**Child and Dependent Care Tax Credit:** Individuals are allowed a credit against the Maryland income tax of 32.5% of the federal child and dependent care credit claimed. The credit is phased out when federal adjusted gross income is above certain limitations. The credit cannot exceed the State tax liability and may not be refunded.

**Quality Teacher Incentive Tax Credit:** Individuals who are employed by and teach in the public school system of a County or Baltimore City are allowed a credit of up to \$1,500 of the unreimbursed cost of graduate level courses required to maintain certification. The credit cannot exceed the State liability and may not be refunded.

## Tax Credits (continued)

**Aquaculture Oyster Float Credit:** Individuals are allowed a credit for 100% of the amounts paid on or after July 1, 2002 for the purchase of a new aquaculture oyster float that is designed to grow oysters at or under an individual homeowner's pier. The credit cannot exceed \$500 or the State tax liability, whichever is less, and may not be refunded.

**Long-Term Care Insurance Tax Credit:** Individuals are allowed a credit of up to \$500 per covered individual for premiums paid during the tax year for long-term care insurance covering themselves or their spouse, parent, step-parent, child, or step-child. The credit may not be taken for the same individual by more than one taxpayer, by any taxpayer in a prior year, for an individual who is not a Maryland resident, or for an individual who was covered by long-term care insurance before July 1, 2000. The credit is subject to certain maximum amounts, cannot exceed the State tax liability and may not be refunded. This is a one time credit.

**Preservation and Conservation Easement Tax Credit:** Individuals are allowed a credit against the Maryland income tax of up to \$5,000 per year for the donation of a perpetual easement to the Maryland Environmental Trust or the Maryland Agriculture Land Preservation Foundation. The credit cannot exceed the State tax liability and may not be refunded, although excess amounts may be carried forward.

**Venison Donation – Feed the Hungry Organizations Tax Credit:** Individuals who hunt and harvest an antlerless deer in compliance with State hunting laws and regulations, and donate the processed meat to a venison donation program administered by a qualified tax exempt organization, may claim a credit against their State personal income tax for up to \$50 of qualified expenses to butcher and process an antlerless deer for human consumption. The total amount of the credits may not exceed \$200 in any taxable year unless the individual harvested each deer in accordance with a deer management permit. Any unused portion of the qualified expenses may not be carried over to another taxable year.

**Community Investment Tax Credit:** Individuals who contribute to a nonprofit organization approved by the Department of Housing and Community Development (DHCD) may be eligible for a tax credit against Maryland State income tax. Taxpayers must apply and receive approval from DHCD to claim this credit. The credit is limited to 50% of the approved contributions, not to exceed \$250,000. The credit is not refundable and limited to Maryland State income tax, but the excess may be carried forward for up to 5 years.

**Endow Maryland Tax Credit:** Individuals who make a donation to a qualified permanent endowment fund at an eligible community foundation approved by the Department of Housing and Community Development (DHCD) may be eligible for a tax credit against Maryland State income tax. Taxpayers must apply and receive approval from DHCD to claim this credit. The credit is limited to 25% of the approved contributions, not to exceed \$50,000. The credit is not refundable and is limited to Maryland State income tax, but the excess may be carried forward for up to 5 years.

**Preceptors in Areas with Health Care Workforce Shortages Tax Credit:** A qualified licensed physician or a qualified nurse practitioner who served without compensation as a preceptor may be eligible to claim a nonrefundable credit against the Maryland income tax. Eligibility for this tax credit is limited to funds budgeted. Applicants must be certified by the Department of Health.

**Independent Living Tax Credit:** An individual may claim a credit against their Maryland State income tax equal to 50% of the qualified expenses incurred during a taxable year to install accessibility and universal visitability features to or within a home. For any taxable year, the credit may not exceed the lesser of: (i) \$5,000; or (ii) the State income tax imposed for the taxable year calculated before the application of the credits allowed under §§ 10–701, 10–701.1, and 10-741 of the Tax-General Article but after the application of any other credit allowed. The unused amount of the credit may not be carried over to any other taxable year. The credit amount is limited to the lesser of the individual's state tax liability for that year or the maximum allowable credit of \$5,000.

**Endowments of Maryland Historically Black Colleges and Universities Income Tax Credit:** Individual is allowed for a credit against the state income tax for a certain amount of donations to certain qualified permanent endowment funds at Bowie State University, Coppin State University, Morgan State University or University of Maryland Eastern Shore; requiring certain taxpayers to add a certain deduction back to federal adjusted gross income to determine Maryland adjusted gross income; limiting the amount of tax credit certificates certified by the comptroller to no more than \$240,000; applying the Act to certain taxable years.
